1. The MAV Repair Workshops at Szombathely are located in the northeast corner of the town, on the right side of the railway tracks. The organization of the workshops is under the control of the Szombathely Railway Directorate.
2. Only repairs are at present in progress at the workshops, but such large-scale work is undertaken that at any time it would be possible to switch to production of new railway cars.
3. No. of workers: approximately 3,200.
8 hours a day are worked.
4. Output: 8-10 cars repaired per day, though the target set for the workshops is 16 cars per day.
5. Railway tracks throughout the workshops area connect all buildings
